FEBRUARY MEETING

Tuesday, February the 19th, at 7:30 P. M.

MAIN TWO
ST. LUKE'S HOSPITAL

General Business Meeting
followed by a short talk by Miss Dora M. Cornelisen,
Field Representative of the American Journal of Nursing.

Refreshments will be served.

EDITORIAL

A small leaflet giving minimum standards for Public Health Nurses, recently printed and circulated among the nurses by the Illinois State Association of Graduate Nurses, brings to mind one of the newer fields for nurses.

Although the American Red Cross, (whose standards for nurses working under their direction are practically the same) have been placing nurses in this field for fifteen years, in their 1929 report of Public Health Nursing Service they state that "this field has scarcely been scratched outside of the large cities." It has been their experience that when a thoroughly trained visiting nurse is sent into a community desiring to try out Public Health Nursing Service, that community is usually won over to the service, soon puts it on a self supporting basis and keeps a nurse permanently. Exactly the opposite results have been recorded in a number of instances where independent agencies have placed nurses not specially trained in this work in these positions.

There is really only one requirement on this list that cannot be met at once by the St. Luke's graduate and that is the four months of instruction in one of the Public Health Nursing Courses recognized by the National Organization for Public Health Nursing and one years experience under supervision on the staff of a Public Health Nursing Organization. This is the most important requirement: fitting the nurse for Public Health Work and a nurse attempting to enter the field without this training would find herself as handicapped as she would were she to attempt surgical work without previous training.

Public Health Nursing is really different from nursing in general. This does not hold as true for work in the larger cities as it does in the smaller communities. In the city the nurse is part of an organization which has already been accepted as a necessity. The people she serves are usually the poorer class who are grateful for her services without questioning them. She has a supervisor to help solve her problems, she seldom meets the Doctor who has requested her services and her salary is assured. However, when a small community decides to have a visiting nurse the history usually reads like this. "A small number of pro-

gressive citizens after a few years of working and talking have finally succeeded in raising sufficient funds to guarantee a salary for a period of a year or more for a nurse, then they start out to find a person who can sell visiting nursing to their locality." Naturally the only person competent to fulfill the hopes of that community is the nurse who has been trained for that purpose. She must know how to keep records. No matter how much is accomplished recorded facts speak for themselves. Usually several of the medical men in the district will immediately recognize her value, but it is only through efficient service continued over a period of time that the rest of the Doctors will finally realize that this service is needed. She will find a different class of people to be served and a different type of home. And yet no where will the right kind of a nurse be able to accomplish more than in these homes where all that is needed to produce real results is to gain the confidence of the family and keep it.

To the women who takes pleasure in spreading the knowledge and increasing the practice of healthful living, who enjoys problems, predicaments and people, rural Public Health Nursing offers the widest field in the nursing group today.

DECEMBER MEETING

The best laid plans of Santa Claus and the nurses most certainly did go astray when the Christmas party, scheduled for December 18th, had to be cancelled on account of the influenza epidemic. However, about eighteen of the nurses met for the regular meeting, and after a short business session were delightfully entertained by Nellie Beeby who described Christmas in a Chinese hospital. In addition to keeping those listening in a merry mood by describing funny incidents in connection with this occasion Miss Beeby also gave some very interesting information, one item in particular being that they use red linen instead of white throughout the Hospitals in China. White being the color of mourning in that country it was found impossible to induce the sick to enter an institution that apparently was in mourning. So now the hospitals present a very gay appearance with red sheets, spreads and pillow covers.

Mrs. Crocker made the very interesting announcement, at the last meeting, that first steps are being taken toward perfecting plans for a new and very modern nurses home. The new home is to have a gymnasium, swimming pool and all the conveniences nurses have always wished for. The committee very wisely realizing that the nicest plans, on paper, do not always mean a perfectly satisfactory building, are visiting various nurses homes both here and in other cities for information and ideas.

The Alumnae will be interested in hearing of the last meeting of the Nurses Club at Columbia. The different committees of the three National organizations were meeting here in New York and we had the pleasure of meeting many of them and hearing some of them talk at our Club Meeting.

Nina Gage, President of the International Council of Nurses told us of the Montreal meeting and urged us all to go. There were so many interesting things on hand that we made a solemn vow to go if we could see a way.

Miss Clayton was not present so Miss Elnora Thomson, vice president of the American Nurses Association spoke to us instead.

Miss Titus, Vice President of th

Nursing League of Education brought greetings. She spoke in place of Miss Burgess, who is President and is here at Teachers College.

Mrs. Hansen, President of the National Public Health Association urged that nurses go into public health work. That there was a crying need for trained public health nurses.

Miss Isabelle Stewart, who is head of the Nursing Department of Education here at Teachers College presided at the meeting. Her charming personality and apt remarks rounded out a very pleasant evening. There was a roll call of countries and we have eleven different countries represented here. A roll call of the states showed that the middle west was highest in numbers.

Our dear Miss Eldredge was present and when we found that she would be here for a few days and could give us an evening we proceeded to have a St. Luke's dinner. In spite of the short notice we had fifteen to dinner and some came in later in the evening.

The following St. Luke's nurses were present: Miss Torkelson, Miss Carrie Wood, Miss Palmbeck, Mrs. Alyshire, Miss Ulmer, Miss Haney, Mrs. Phillips, Mrs. Olive Meyer Tucker, Mrs. Flossie Becker Meyer, Miss Gordo Wilson, Mrs. Pitkin, Miss Foote, Mrs. Lee (Mildred Lippert), Miss Eldredge, Miss H. Gooch.

Miss Plambeck is doing very successful teaching at Bellevue Training School and plans to take her Masters Degree at Columbia next semester.

Miss Haney is joining the Henry St. Settlement and will take work here at Columbia.

Miss Gordo Wilson is enjoying her work at the Eye and Ear Hospital.

Miss Foote is doing private duty.

We had a most enjoyable evening with Miss Eldredge and left with the feeling of inspiration which she always leaves with us.

Sincerely yours,

Hettie Gooch.

MR. CURTIS RESIGNS

A letter from the President of the Board dated January 23rd, announced the resignation of Louis R. Curtis, who for over twenty-five years has been Superintendent of St. Luke's Hospital. Mr. Curtis has been ill for some time.

Mrs. Crocker wants, for the new Training School, all of the pictures clippings and historical material that the Alumnae can find. An Historical Committee from the Alumnae Association will be the next procedure. Who volunteers?

EDITORIAL

The April meeting as announced in this issue is in charge of the private duty nurses. The first half of the meeting will be devoted to Private Duty Problems vs. Hospital Specializing and the second half to Hospital Problems vs. Private Duty Specializing.

With over three fourths of the membership made up of private duty nurses and an opportunity like this presented, a very large attendance is expected.

There must be a great number of things which come to the mind of every private duty nurse that she would like to see remedied or explained. Usually there are two sides to every question but in nursing there are four sides, the Doctor's the Hospital's the Patient's and the Nurse's. To criticise verbally is one of the easiest things in life. It comes as naturally as breathing and is common to all of us. We all know a much better way to do things. However, a written comment usually contains real matter for discussion and that is the reason the nurses have been asked to write.

It is hoped that the response to this request will be immediate and genuine and that from the questions presented some real constructive material may be obtained. The Alumnae stands ready to help in every possible way as soon as they find what is really needed.

APRIL MEETING

Please plan to come on time as the regular meeting will be preceded by a short and most interesting demonstration given by the Boys Brotherhood of the Republic. This is one of the most constructive pieces of social service being done in Chicago today. There are 750 members, made up of underprivileged boys, under the leadership of Mr. J. Robbins. This group is self governing and the disciplining of its members is done through an established Court procedure, carried on by the boys themselves. The case to be tried on April 16th will be presented in a dignified fashion and their Court Room is being transferred to St. Luke's for this occasion. The Alumnae audience is asked to give their full attention to the demonstration. We are sure everyone interested in boys will thoroughly enjoy this program.

MINUTES OF REGULAR MEETING FEBRUARY 19, 1929

The meeting was called to order by the President at 7:45 P.M. on Feb. 19, at the hospital, 46 members present.

Important business that had taken place at the Board of Directors meeting of the same date was read. The reading of the minutes of the previous general meeting was dispensed with.

The publication of a Year Book was discussed. Motion was made by Miss Werner for its publication. Carried.

Mrs. Crocker asked for any historical events of the school.

It was announced that a special train is being organized for the International Council of Nurses meeting at Montreal in July, 1929, reservations to be made through Miss Collins.

In discussing the Bordeaux School Fund, Miss Collins moved that individual nurses donate thereto, however, withdrew the motion when Miss Werner moved and Miss Wallace seconded the motion that our Alumnae quota of 40 cents per member be taken from the Treasury, that amount being \$80.00. Motion carried.

Miss Fulmer explained the method by which a nurse may enter Naperville Cottage;

1. She must be approved by the Chicago Tuberculosis Institute, managers of the cottage, which is the property of the Illinois State Association, secretary being Miss Alice Helfner.

2. She must go through Dr. Block's Clinic at Albert Billings Memorial hospital.

REPORT OF THE VISITING COMMITTEE

Miss Rose Doherty was discharged from 702 on February 27th, Miss Taylor on March 4th.

Mrs. W. B. Drake was a patient at Presbyterian Hospital eight days.

Miss M. R. Browne is ill at her home.

Acknowledgements for flowers sent were received from each.

THE INTERNATIONAL COUNCIL OF NURSES

The International Council of Nurses meeting at Montreal July 6th to 12th promises to be one of the outstanding events of the year. Details in regard to the special train planned for Chicago nurses who wish to attend were announced at the March meeting.

This train is scheduled to leave Chicago at 6:00 A.M. Saturday July 6th, arriving at Kingston at six on Sunday morning. From Kingston the balance of the trip will be by boat via the Thousand Islands, arriving at Montreal on Sunday evening.

There are still a number of berths to be had on this train and those interested should get in touch with Miss Collins immediately. Nurses must redeem their reservations at the office of the Canadian Pacific.

Full details of this meeting may be found in the January number of the American Journal of Nursing.

GRACE CHURCH

The lovely new Grace Church is finished. The opening service was held Sunday evening on March 17th. The choir sang the beautiful Meditation and the church was filled with old Grace parishioners, patients and nurses. Father Holmes, St. Luke's Chaplain, surely must have felt rewarded after all his hard work to bring the restoration of the church to a reality.

The memorial to our old Chaplain, Father Wright, is very beautiful and dignified.

COMMENCEMENT WEEK

Begin to plan now for commencement week. Surprises are being planned and it is hoped that many of the nurses will plan to spend the week here. Regret that it is impossible at this time to give the exact date. So far the week of June 3rd to 8th is being considered but the exact dates for Banquet, Commencement, and Home coming will be announced later.

Flora Swett and Edith Beyer Heath are engineering the Banquet festivities and promise the very nicest one we have ever had. And if all Mrs. Crocker's plans materialize this year's commencement week will long be remembered.

There are fifty-eight nurses in the graduating class. Miss Virginia Forsyth is Class President.

THE POSTER CONTEST

This contest sponsored by the Alumnae is open to any member of the 1929 graduating class. The purpose of the contest is to obtain material which can be used to stimulate interest in Alumnae meetings.

A prize of \$5.00 will be given to the nurse who draws up the best poster. For the next best poster a prize of three dollars will be given. There will also be a third prize of two dollars. The judges to be the members of the Board of Directors. All posters must be completed by April 15th, 1929. Who will win?

UNIVERSITY FUND BOXES

Will all the members of the Alumnae who have the University Fund Boxes please return them at once to Mrs. Van Frank at Headquarters if they have not already done so.

ALUMNAE DUES

If you haven't paid your 1929 dues you had better watch out for Helen McNab is on your trail. Too, delinquents are not eligible to relief privileges until three months after reinstatement.

THE YEAR BOOK

The year book committee is almost ready with its material for the press. Please be sure your name, address and title is in as you want it. Miss Werner will change items up to the minute of going to press.

AMERICAN RED CROSS

The American Red Cross drive for enrollment of nurses has been very successful but there are still many St. Luke's nurses who have not responded. All the training schools are co-operating and attempting to reach a 100 per cent enrollment of their graduates. In time of disaster you may wish to volunteer and now is the time to become eligible. Miss Collins is chairman of this drive and would appreciate a further response to her request. Enrollment blanks may be obtained from Mrs. Crocker, at the hospital, who has also made arrangements for the physical examination which is a necessary requirement.

COMMENCEMENT

GRADUATION

On Thursday evening, June 6th, the Commencement exercises for the 1929 class were held in St. James Episcopal Church. Mrs. Crocker presented the class. Mr. Charles Schweppe conferred the diplomas, assisted by Mrs. Crocker, and Rev. Robert Holmes presented the badges.

After the exercises the friends and relatives of the graduates attended a reception held at the hospital.

HOME-COMING LUNCHEON

The third annual home-coming luncheon was held in Main 2 on Friday, June 7th.

The former graduates after being greeted by Mrs. Crocker and several members of the Staff and enjoying a delicious luncheon went to the new Chapel where a short but impressive Memorial Service was conducted by Rev. Holmes.

At the luncheon Mrs. Crocker made the announcement that the nurse having the highest grade in all subjects during the three year course was Miss Virginia Forsythe.

THE SEVENTH ANNUAL BANQUET

Over two hundred nurses were present Saturday evening, June 8th, for the seventh annual banquet which was given in the Crystal Ball Room at the Drake Hotel.

A more beautiful banquet setting would be hard to find. The tables were decorated in a perfect manner and presented a picture to those present that must have fully repaid the nurses in charge who worked so hard to prepare them. The speakers' table, decorated by Mrs. Halstead, was unusually beautiful and artistic.

The guests of honor were the class

of 1929, the class of 1904, who were celebrating their 25th anniversary and Mrs. Ada Reitz Crocker, Directress of Nurses at St. Luke's. Miss Harriet Fulmer, our President, presided at the speakers table. Miss Ella Best welcomed the class of 1929 and Miss Collins the class of 1904.

The speaker of the evening was Miss Agnes Martin, of the class of 1904, who presented an excellent paper in an interesting way. After all it is a privilege to hear from one of the graduates of years ago and listen to stories of how old St. Luke's was managed and the nurses trained. In addition to reminiscing, Miss Martin touched on many of the points and problems of the nursing profession today and named six essential qualities for a good nurse. They were, Manual Skill, Leadership, Persistence, Experience, Kindness and Intuition.

A number of letters and telegrams were received from those who were unable to attend. From Eleanor L. Mur-ray of Los Angeles; Martha Barnstein of Tuscon, Arizona; Lillian J. Cawker of Port Perry, Ontario; Mildred Pringle of Phoenix, Arizona; Edith McCallen McGill of Washington, D. C.; Sophie W. Torkelson in New York, and Bessie Burnett Clark at Summitt, N. J.

With the exception of Miss Barnstein and Miss Pringle these letters were from graduates of 1904 who were unable to attend the re-union of their class.

At Roll Call there were found present from 1893—3 members, 1894—2, 1895—2, 1896—2, 1898—4, 1899—3, 1901—1, 1902—1, 1903—2, 1904—3, 1905—4, 1906—1, 1907—1, 1908—1, 1910—1, 1911—3, 1912—5, 1913—2, 1914—3, 1915—2, 1917—3, 1918—3, 1919—9, 1920—5, 1921—18, 1922—6, 1923—2, 1924—10, 1925—6, 1927—1, 1928—12, and all the members of the 1929 class.

Guests from out of town who registered were Thea Berg, Wauwatosa, Wis.; Martha Munroe, South Bend, Indiana; Mabel Carpenter of Hubbard Woods, Ill.; Ellen Stewart, Waukegan, Ill.; Ruth Carr, South Bend, Indiana; Myrtle Jones, Hermosa, Calif.; Ethlyn Peterson, New York; Bina Davies, Bement, Ill.; Mabel Mc Clennahan, Joliet, Ill.; Edith Parr Dally, Winnetka, Ill.; Nell McClintock, Ottawa, Illinois; Tina Hamrin Stevenson, Ottawa, Ill.; Madge Boyington, Riverside, Ill.; Alma Day, Riverside, Ill.; Cecil Cushman, Sterling, Ill.; Erma Holmgren Johnson, De Kalb, Ill.; Jane Barclay, Appleton, Wis.; Anna Dickey Harden, La Grange, Ill.; Ruth Wested, De Kalb, Ill.; Ida Hubbard, Janesville, Wis.; Josephine Anderson, Harger, Milwaukee, Wis.; Fern Richardson, Waukegan, Ill.; Gertrude Zickert, Michigan City, Indiana; Grace Roberts Scott, De Pue, Ill.; and Loretta Springer Knochel, Lincoln, Illinois.

THE POSTER CONTEST

Eleven posters were entered in this contest and all were very fine. In fact it was so difficult to decide which one was the best that the Board of Directors abandoned their original intention of judging them and asked that a general vote be taken of all the members attending the meeting.

First prize was awarded to Onalee Bruce, second prize to Beatrice Egan and third prize to Elsie Pierson.

MINUTES OF THE REGULAR MEETING MAY 21, 1929.

The regular meeting of St. Luke's Alumnae Association was called to order by the President at 8:00 P.M. on Tuesday, May 21, 1929, at the hospital, about 60 members present.

The reading of the minutes of the last meeting were dispensed with.

Miss Fulmer announced that the First District does not endorse the "Nurses Town Club" nor will our alumnae support it. The Alumnae Banquet to be held June 8th. Home Coming Luncheon to be at 1:00 P.M., June 7th.

Miss Rachel Jackson, chairman of the Private Duty Committee read its report as follows:

June 21, 1929. At the last Alumnae meeting which was for the private duty nurse to voice her complaints and grievances, a committee was appointed to meet with Mrs. Crocker and put these grievances to her.

The committee met with Mrs. Crocker April 19th, at 7:30 P.M. in Miss Shannon's office and these grievances were discussed: The stand of the hospital is to give to its patients the very best nursing care possible while there in the hospital. If a patient wants a 24 hour duty nurse the hospital will try and get one for him, altho they do try and discourage 24 hour duty in the hospital. If a patient insists on a 24 hour duty nurse, one is procured, but, not from the Central Registry. This is the feeling of the Hospital Board.

Another question that came up was compelling the nurses to register at the Club. Should not all nurses belong to the Club and to the Alumnae Association? Nothing definite was settled in regard to this.

It was also suggested at the last meeting that there be 2 lists on the registry, the second list for married nurses, the first list being called first. Nothing definite was decided.

If any nurse feels that at any time she isn't getting a square deal she should go to Mrs. Crocker direct and not to everyone else. Mrs. Crocker will always listen and be very glad to help advise anyone regarding their troubles.

Signed, Rachel A. Jackson.

The membership committee presented the following new members: Doris Holdren, Thelma Schloatman, Anita Anderson, Mrs. Alice Fristed, Laura Turley, Blanche Stonsler, Mercedes Behrens; re-instatements, Mrs. John G. Campbell.

All were accepted as members of the alumnae.

Meeting adjourned, to hear Dr. Philip Lewin's lecture, "Twenty Minutes on Painful Feet."

Respectfully submitted,

Clara H. Piltz, Secretary.

CLASS 1929

CLASS POEM

'Tis hard to part with friends sincere
But life's work lies not only here
Into the morrow we must go
Ready to face both joy and woe.

Our nursing course is now complete
The journey was long with many a defeat,
But happiness and sorrows blend
When one attains this glorious end.

So now farewell, when leaving here
We take with us memories dear
And for our Alma Mater's sake
A success of ourselves we're bound to make.

CLASS HISTORY

Three years ago the class which graduates from St. Luke's Training School this spring, began its long toilsome journey up the rough and ragged road to the point of being a graduate nurse. The hill is long and steep and its travelers are forced to encounter and climb over many sharp and projecting rocks. The paths were unattractive to some, but to the rest of us, who have encountered it all, we have found a lovely smooth, shady spot at the end.

Every year the class enters in two divisions, the first in February and the second in September. In February 1926, twenty-six virtuous young maidens entered, but only fifteen rose to the top. Much the largest section of the graduating class entered in September, 1926; eighty-eight came in with flying banners, but only forty-two survived the struggle for professional knowledge. Many of those starting at the bottom, simply lost courage, some decided to try matrimony, others cared to change professions and still others resolved to change training schools.

At our first class meeting, Virginia Forsythe was elected president of 1929 A, and Blanche Cleveland has led 1929 B to the top. Both have encountered many difficulties, but both have led us royally in business as well as social affairs.

In the fall of 1926, when we were in the never forgotten probationary period, the Senior Class honored us by giving us a reception in the form of a masquerade Hallowe'en party. Such fun! The longer we stay in training the more we appreciate the operating room scene.

Christmas parties each year have

been a bright spot in our lives, even if all of us were unable to spend the holidays in our own homes.

As a welcome to the freshman, class of 1931 B we sponsored a masquerade party, with side shows, stunts and dancing as entertainment.

Two years ago a branch of the Y. W. C. A. was started here at St. Luke's Hospital. The class of 1929 held a big part in the formation of the organization and many of our class held the first official positions. It is now developing into a helpful and very enthusiastic organization.

Also, two years ago, the Presbyterian Church gave the St. Luke's nurses the privilege of using their gymnasium once a week for indoor sports. Several of our class have been very faithful attendants and have appreciated and enjoyed the privilege.

But all along the road there has been the financial question; sandwich sales, candy sales and benefit dances have helped to meet this problem. They have been fun, and people responded readily and that is why we survived to the summit.

In our senior year, the Alumnae Association offered a prize to the Senior who made the best poster signifying the work and ideals of the Association. Onalee Bruce showed her talent, and was awarded the blue ribbon.

Our entire trip was occasionally impeded by a "shower of tests," unusually hard subjects, or some undesirable responsibility or duty. But regardless of it all, we now stand ready to enter the House of Commencement and there receive the ticket which permits us to pass on the new and different journey of "Real Life."

Supervisors, Seniors and Doctors, we shall always remember you who so faithfully and patiently led us onward and upward, and it is to you we utter our greatest thanks.

The way is long, yet all too short but if you "grin and grind" rewards are yours at the top of the "Hill of Knowledge."

NURSING NONSENSE

Did you see the hour clip?

Did you see the glass graduate?

Have you seen the lemon squeezer?

Do you know if he is Stilwell?

Did you see the glass slide?

Have you ever seen a sponge count?

DO YOU REMEMBER WAY BACK WHEN—

We paid fifteen cents for cap material?
When night nurses washed their own dishes at midnite supper?

We relieved for dinner on our P. M.?

We were "probies" and would put on a St. Luke's cap every chance we got?

There were 88 in the class of '29 B?

We used to go on duty at midnight after Miss Gooch made rounds?

A quart of milk plus a loaf of bread used to fit in our uniform pockets?

Nurses furnished the razor blades?

The Alcohol wasn't carbolated?

EDITORIAL

The summer has gone and once again all the signs of autumn greet our eyes. The woods were peaceful with the soft greens of summer but the short glory of autumn far surpasses all that summer's beauty. The birds are gathering for their long journey to the south lands and leave behind them no note of protest because these things must be. It would seem as though all of the children of Mother Nature were happy because they had fulfilled their mission here and now were glad to go. Each year these signs are given to us that we may watch and profit by them.

The spirit of the times seems to be for better and greater accomplishments. It is evident in all lines in life and one by one things that were once considered essential are being discarded and newer and better things are taking their place.

But one thing that the world will always need and call for is the SERVICE of good and efficient nurses. Efficiency alone will not suffice. The spirit of service gladly given must enter the sick room with each true nurse.

This is a good time to take stock of ourselves and see what the autumn of our lives will be. Will the service of our hands and hearts be represented by the glorious autumn leaves that leave bright memories in the minds of all, or will we be represented by the dry dead leaves that, defiant, hang on the boughs all winter, beautiful neither in the sight of God or man.

It is ours to choose.

I KNOW SOMETHING GOOD ABOUT YOU

Wouldn't this old world be better
If the folks we meet would say,
"I know something good about you!"
And then treat us just that way?

Wouldn't it be fine and dandy,
If each handclasp warm and true
Carried with it this assurance,
"I know something good about you?"

Wouldn't life be lots more happy
If the good that's in us all
Were the only thing about us
That folks bothered to recall?

Wouldn't life be lots more happy
If we praised the good we see?—
For there's such a lot of goodness
In the worst of you and me.

Wouldn't it be nice to practice
That fine way of thinking, too?—
You know something good about me!
"I know something good about you!"

CHRISTMAS GREETING From Harriet Fulmer.

My Christmas Candle

I.

"The legend runs: On Christmas eve
A little candle's ray,
Shining through the dark, will light
The Christ Child on His way.

II.

I've polished well my window pane
And set my candle there:
I'll light it when the twilight comes
And say a little prayer:

"Dear Christ Child, may my candle's
light
Lead You to my friends tonight."

REPORT OF VISITING COMMITTEE

Both Mrs. Johnson and Mrs. Gregg expressed their great appreciation and thanks for use of room and for flowers sent.

Your Chairman spent five days in our Endowed room this month and wishes the Alumnae Association to know how much she enjoyed being in our room. Also many thanks for flowers received.

JANUARY MEETING

At the January meeting the annual election to fill vacancies on the Board of Directors takes place. The offices to be filled this year are 1st Vice-President, Membership, Finance and Press. It is very necessary that some of the nurses come forward and indicate to Sarah Dennis their willingness to serve on one of these committees. There are among our members many nurses who are well qualified to fill these positions and surely out of these at least four should be willing to serve. Please call Miss Dennis as early as possible, Drexel 3200, and let her put your name on the ticket for January.

THOUGHTS FOR 1930

Get ready to go to Milwaukee for the A.N.A. Biennial in June, 1930.

THE CHRISTMAS PARTY

The following invitation is being mailed to every nurse whose address is known, and all are urged to attend as this promises to be one of our best parties:

Dear Alumnae:

Christmas party for children and grandchildren of St. Luke's graduates at 2 p.m. Saturday, December 21st, 1929, in the nurses' sitting room.

Let us make a special effort to renew old friendships and have our children know St. Luke's.

Bring with you a ten-cent gift for the tree, marked with age of boy or girl to receive it.

Hoping you will help make this the best party ever,

Gladys Uzzell Rissinger,

Please reply.

DEATHS

TO

EDNA GATES GILLUM,
Died in September, 1929.

"For you are one of the time sifted few that leave the world, when they are gone, not the same place it was."

— Harriet Fulmer.

Early Sunday morning, September 15, Mrs. Edna G. Gillim (Edna Gates), was called to her long rest. Mrs. Gillim was a graduate of St. Luke's Hospital School of Nursing, Chicago, Illinois, Class of 1900. Her nursing career has been principally that of Visiting Nurse and Social Service work. Prior to coming to Hackensack she was connected with the Visiting Nurse Service at Henry Street, New York City. For five years she was on the staff of the Bergen County Tuberculosis and Health Association. On January 1, 1927, she took up her duties with our hospital, in charge of the Social Service department.

Mrs. Gillim was a woman of high ideals. Her charming personality and thorough understanding of nursing and social service won for her the love and respect of her associates and patients.

Two sons, John and William, of 67 Sussex Street, Hackensack, and two sisters, Mrs. Bertha Paulet of St. Paul, Minnesota, and Mrs. W. B. Barry, Jr., of East Orange, New Jersey, survive.
